

Please be advised that if you suffered storm damage from the July 3, 2025 event and anticipate any repairs that involve roofing/fencing/porches/decks/sheds/garage and/or principal residence will require a building permit. A Building Permit application must be filled out and approved before any work commences. The fee for the permit has been waived for 90 days. All work must conform with all Local and State building and fire codes. Applications for permits are available on our website at townofdickinsonnybc.gov. Please apply for your building permit as soon as possible as the fee waiver will expire on Friday, October 3, 2025.

Any structure that will require demolition, a Demolition Permit will be required and is available on the Town of Dickinson website.

You must provide with the permit application a copy of the insurance claim with the claim number attached as well.

If you have any questions or concerns, please feel free to contact the Town of Dickinson Code Enforcement Office at 607-723-9401 Ext. 212 or code@townofdickinson.com
